The **Bernstein Centennial Celebration** at Tanglewood spotlights Bernstein's wide-ranging talents as a composer, his many gifts as a great interpreter and champion of other composers, and his inspiration to a new generation of musicians and music lovers across the country and around the globe. The gala concert **features a kaleidoscopic array of artists** and ensembles **from the worlds of classical music, film, and Broadway**. The entire first half of the program is dedicated to selections from such brilliant Bernstein works as ***Candide*, *West Side Story*, *Mass*, and *Serenade***. Music from the classical canon very dear to Bernstein's heart includes **Mahler's *Des Knaben Wunderhorn***, the finale of **Mahler's *Resurrection Symphony*** and **music by Aaron Copland**, plus a **new work by John Williams**.
